

Protect your vision with a discount program offered at no cost to you.

As an employee, you automatically get the MetLife VisionAccess program.¹ You and your family get discounts at a nationwide network of private practices.² Discounts include:

Discounts on a range of eyecare products and services.

With the MetLife VisionAccess program, you may save²:

- 20% off exam, 15% for contact lens exam.
- 20% off lenses and lens options.
- 25% off frames.
- 20% off non-prescription sunglasses.

Discounts are deducted from the vision specialist's usual and customary fee and are only available through private practices participating in the MetLife VisionAccess network.

Discounts on laser vision correction.³

Everyone's talking about laser vision correction, especially LASIK. With the MetLife VisionAccess program, you and your dependents qualify for up to 15% off the retail price or up to 5% off any promotional price.

Automatic access to vision discounts for employees and their families.

Remember, there is no enrollment fee to participate or claim forms to complete. To receive your discounts, provide the participating MetLife private practice provider with your program code: **MET2020**.

1. MetLife VisionAccess is a discount program and not an insured benefit. The program is available at no charge regardless of enrollment in other MetLife benefits. Participation in the vision discount program is not contingent on the purchase of a MetLife product. It is provided through Vision Service Plan (VSP), Rancho Cordova, CA. VSP is not affiliated with MetLife or its affiliates.
2. Up to the listed discounts off the provider's Usual and Customary fee. Savings are not guaranteed, and are subject to various factors, including the availability of materials and costs of services provided.
3. Custom LASIK coverage only available using wavefront technology with the microkeratome surgical device. Other LASIK procedures may be performed at an additional cost to the member. Additional savings on laser vision care only available at participating locations.
